

“A Night in Havana”

SPONSORSHIP DETAILS

MEMBERS OF THE FOUNDATION THANK YOU...

The Sunrise Theatre Foundation, Inc. is an independent non-profit 501(c)3 organization dedicated to providing theatrical programs for children and enhancing the theatre experience for all patrons. We are pleased to share our successes with you.

EXPANSION OF CHILDREN'S PROGRAMS

With the Children's Services Council of SLC and your support, the Foundation has consistently increased scholarships to under-privileged children for the Summer Camp Theatre Experience.

The Happy & Hopeful Program, created by the Foundation, provides tickets to children and their parents to attend live performances at the Sunrise Theatre. With the support of the Children's Services Council of SLC through a grant award, the continuation of this program is possible.

The Foundation's on-going commitment is to give entire classrooms of students daytime theatrical experience by paying for their school bus transportation to the theatre.

ENHANCE THE THEATRE EXPERIENCE

Through your continued support, the Foundation purchased a 22,000-pixel high-definition professional projector for movie and live performance use at the Sunrise Theatre, enhancing those events.

The Stairway to Heaven project was done in honor of John Wilkes, the theatre's former executive director. The installation of two additional handrails in the main lobby to the theatre's main entrance has made it easier and safer for patrons to walk those stairs.

WHAT MAY BE NEXT

The Foundation's next endeavor is to assist in improving the Sunrise Theatre's classic marquee with digital enhancements. The Foundation is seeking to expand our youth programs to include high school and college-bound young adults.

Our community benefits because of your support to the Foundation.
